

# BERTHOUD RECREATION CHILD WATCH

- Child Watch is a non-licensed temporary, short-term child care service. Activities include active and passive games, sports, singing, dancing, and limited T.V.
- Non-members must pay \$3.50 at the registration desk to use our services. Members receive this service at no extra charge. The registration desk will give approved customers 1 card per approved child.
- Children must be 6 months to 9 years old in order to use this service.
- Customers will give proof of purchase cards to child watch staff and then sign their child in.
- Staff to child ratio is 1:10
- The person that drops off the child will be the only person that can check the child out unless specified.
- Customers must inform staff if their child has allergies. Small snacks are allowed, but not provided by Berthoud Recreation Center.
- We suggest you limit your first workout to ensure your child does not become overwhelmed with a new environment.
- Children are not allowed to stay longer than 1.5hrs each day. This time limit is mandated by Colorado law as this is not a licensed daycare facility.
- If you have an infant, all necessary items must be provided for their care. Staff will not change diapers.
- We will not accept any child that shows flu-like symptoms.
- Please do not bring toys from home unless they are a security toy and absolutely necessary.
