

OFFICIAL PROCLAMATION
COLORADO RECYCLING MONTH
JUNE 1995

- WHEREAS: Recycling saves precious energy, conserves valuable natural resources, protects the environment, reduces landfill needs and has a positive economic impact, creating jobs, and paying citizens for their recycling efforts; and
- WHEREAS: The State of Colorado benefits greatly from having one of the most successful and extensive voluntary recycling programs in the nation, and
- WHEREAS: It is appropriate to encourage continued interest in recycling to assist in the enhancement of communities, and
- WHEREAS: Colorado Recycles is a statewide, not-profit, educational organization promoting the growth of recycling in Colorado; and
- WHEREAS: The impact of Colorado Recycles' and all recyclers will continue to aid the state's economy and be beneficial to the environment; and
- WHEREAS: The Town of Berthoud and its citizen support recycling.

Now, therefore, be it resolved, that we, the honorable elected Mayor and Town Board of Trustees join with Colorado Recycles in recognizing "June Recycling Month".
