257, 000 gallons & above, \$9.18 per thousand.

For customers located outside of Berthoud's municipal boundaries, the above fees shall be increased 50%. This 50% surcharge is assessed to reimburse the Town for additional costs it incurs in maintaining, operating and replacing the extended water distribution system in these rural areas.

Section 3. Wastewater Fees:

The following fees shall be charged for wastewater service and have been increased by 16%:

Monthly Service Charge

\$14.55

Monthly Fee Per 1,000 Gallons

\$3.50

Section 4. Review of Rates:

The rates established in this ordinance shall be reviewed on a quarterly basis to ensure that the purposes for which they are enacted, namely conservation of water, bond compliance and fiscal responsibility are being achieved.

Section 5. Emergency Clause.

The Board of Trustees has determined that due to the severe drought conditions it is necessary to conserve water and that the implementation of higher usage fees will assist in the conservation of water by the citizens of Berthoud and comply with the mandates of the bond covenants. An emergency therefore exists justifying the passage of this Ordinance to take effect and be in force immediately upon passage. The fees set forth in this Ordinance shall be effective for all February, 2003 billings.

At the special meeting of the Board of Trustees, this Ordinance was read, passed and ordered published this 28<sup>th</sup> day of January, 2003 by a vote of 6 in favor and 0 opposed.
