WHEREAS the consequences of war are universally destructive: and

WHEREAS peace on all levels is possible through increased public awareness, the breakdown of personal and group prejudices and the willingness on the part of our planet's citizens to find viable alternatives to war: and

WHEREAS peace, though seemingly elusive, is more than an ending to war and is attainable through concerted effort on the part of each human being:

NOW, I Richard D. Strachan, Mayor of the Town of Berthoud, do hereby proclaim September 17th-24th to be ANNUAL PEACE WEEK for the purpose of raising awareness of the need for peace while promoting peaceful existence locally and internationally now and for generations to come.
