

RESOLUTION

WHEREAS the Board of Trustees of the Town of Berthoud has determined that drivers coming southbound into Berthoud on U.S. Highway 287 are often times unaware of the need to reduce their speed since there is no definitive delineation between the outer limits of the municipality and the county;

NOW, THEREFORE, be it resolved that the Town of Berthoud enter into a lease of real property with Messers. Harold Gustafson and Gary Jackson and place and maintain a sign on this property which will indicate that vehicles are entering the Town of Berthoud.

Dated this 11th day of November, 1986.

TOWN OF BERTHOUD
