MAKING OUR TOWN EVEN BETTER!

With the warmer weather and longer days, summertime is the perfect season to tackle Town improvement projects. Check out the list below to learn more about what we’re working on and be sure to keep your eyes out for work crews on the road.

2019 Pavement Maintenance Projects
The Town is completing maintenance and improvements on several roads in the town. Regular maintenance helps increase the life of our roads and create a better experience for those traveling through town.

Crews will be applying a slurry seal to the roads in Berthoud Commons, Peakview Meadows, Fickel Farm, Mary’s Farm and Mathew’s Farm neighborhoods.

In addition to neighborhood roads, the Town is working on a pavement project south of the high school that includes asphalt repairs and updating adjacent sidewalks and concrete ramps to ensure they meet ADA standards.

Public Works Building
The new Public Works Department building will be located next to the water treatment plant and is anticipated to be complete in 2020. The Town is currently interviewing construction contractors and will make a final selection soon, at which point the work will begin. Stay tuned for more updates on this project.

Sewer System Improvements
Staff recently replaced a sewer trunk mainline south of Mountain Avenue on Berthoud Parkway. This replacement is anticipated to improve service for those who live on that side of town and will increase general capacity.

UV Disinfection System Upgrade
The Town is replacing the UV disinfection system at the water treatment plant this season. UV disinfection—the final step in the treatment process before the water leaves the plant and is returned to the rivers—cleans and sanitizes the water using UV light rays. This system upgrade is expected to be completed by the end of fall.

Safe Routes to School and Upcoming Work
The Town of Berthoud received grant funding to improve walking and biking routes to Berthoud schools. The contract has been finalized with CDOT and work is expected to begin in early Spring 2020.

SHOUT OUT TO NATIONAL NIGHT OUT

Is your neighborhood taking part in National Night Out? National Night Out is an evening where neighborhoods host block parties, festivals, parades, cookouts and various other community events. During the July 9 meeting, the Town Board proclaimed August 6, 2019, as National Night Out. Berthoud’s residents are called upon to support the Larimer County Sheriff’s Berthoud Squad efforts in observing the 36th annual National Night Out by coordinating their own events and inviting the Berthoud Squad to participate.

If your neighborhood is planning an event, make sure to register your event with the Larimer County Sheriff’s Crime Prevention Team at 970-498-5159 to ensure that officers are able to participate in your event.
