6:00 p.m.
22 Board of Trustees Meeting
6:30 p.m.
24 Planning Commission Meeting
7:00 p.m.

IMPROVING THE BACKBONE OF THE COMMUNITY: MOUNTAIN OVERLAY PLAN

After more than a year of research, tours, public open houses and meetings with the Planning Commission and Town Board, we’re excited to announce the Town Board’s approval of the Mountain Avenue Overlay Plan. This new plan outlines a vision for the future of development along the entire 7.75 mile Mountain Avenue (Highway 56) corridor from I-25 to Highway 287.

By dividing the corridor into 6 distinct character districts, the Overlay Plan establishes architectural standards, development rules and street standards that enhance and preserve the unique character of each district. These rules and standards will be drafted into code language in the coming months as we work to implement this exciting new vision.

You can check out the plan and learn more at www.berthoud.org/mtn-ave-plan.

DOG PARK COMING TO BERTHOUD!

On September 11, 2019, the Town Board directed staff to construct a new dog park on the east side of 10th Street, just north of the Parks and Recreation Building. This fun new facility will give dog owners an off-leash area to socialize their pets with others and to enjoy play time with their furry friends. The new park will include approximately 1-acre of off-leash area divided into two spaces: one for small dogs and one for bigger canines. Fencing, doggie bags, trash cans, benches, water and other amenities will also be provided to ensure that everyone can enjoy this new community asset.
FALL DRUG TAKEBACK DAY

On October 26 Berthoud will be hosting its second medication drop-off day from 10 a.m. to 2 p.m. at Berthoud Town Hall. Drop off any old or expired medications you have around the house to be safely disposed of.

SHARE THE ROADS

If you use a bike or golf cart to get around town, remember that you need to follow the same traffic laws on the road as cars. Follow the tips below to make Berthoud safer for you and everyone else on the road.

If you are driving a golf cart:
- You must have a valid driver’s license.
- You cannot drive on state highways (this includes US 287 and Mountain Avenue).
- You cannot drive on sidewalks or in bike lanes.
- Your golf cart must have the proper reflective placard attached to the back.
- Call or visit Town Hall for more information.
- Gas powered recreational vehicles, such as side-by-side UTV’s are not allowed on the road per State law.

If you are traveling on a bike:
- Wear a helmet.
- Always bike single file.
- Ride on the right side of the road and never against traffic.
- Use hand signals to communicate when you are going to turn.

BERTHOUD COMMITTEES HAVE OPENINGS

A number of Berthoud Committees still have openings for residents who want to volunteer their time and positively impact our town’s future.

2 OPENINGS
on the Tree Advisory Committee

5 OPENINGS
on the Historic Preservation Advisory Committee

3 OPENINGS
on the Youth Advisory Commission

Learn more and apply at: www.berthoud.org/CommissionApplication
