LOOKING BACK AND FORWARD

Another amazing year has nearly passed, as evidenced by the increasing number of twinkling lights and holiday wreaths sprinkled throughout Town. In 2019, we saw on-going change in Berthoud and the rest of Northern Colorado.

With a strong economy and more people wanting to share in the quality of life we enjoy, 2020 is likely to bring continued change. In just the same way that we look forward to the New Year with hope and optimism for how we will improve ourselves and our families, we will also be setting new goals for the Town in 2020 through an overhaul of our Comprehensive Plan. The Comprehensive Plan provides guiding policies and direction for the Town as we continue to grow and change in the future. This plan will include numerous chances for you to participate in shaping the future vision for our great Town and I hope you’ll embrace that opportunity. If we all work together to craft that vision, I’m confident that we will be able enjoy that same hope and optimism for many years to come.

Follow the Town’s Facebook page and website (www.berthoud.org) to keep up to speed on this exciting new opportunity.

Merry Christmas and Happy Holidays from the Town of Berthoud!

Warmest Regards,
Chris Kirk, Town Administrator
BRING IT ON, SNOW!
Learn how our Town and region team up to ensure safe travel when the snow hits.

ROADS
The Town is responsible for removing snow from our streets and roadways. Main thoroughfare roads are the first priority for removal and residential and low-traffic roads are secondary.

SIDEWALKS
It’s your responsibility as a home and business owner to shovel your sidewalk 24-hours after any snowstorm. Doing this ensures that those who travel these routes (like students walking to school) can remain safe.

STATE HIGHWAYS AND COUNTY ROADS
Unlike the roads in Town, these routes are maintained by CDOT and Larimer County. They will be plowed following their organization’s priorities.

BERTHOUD TOWN PROJECT UPDATES

PARKS AND RECREATION
Bein Park has a new inclusive ADA-compliant playground that is open for residents to enjoy.

INVESTMENT IN TOWN ROADS
