BERTHOUD’S DEDICATION TO PUBLIC SAFETY – WE’VE GOT YOUR BACK!

The Town of Berthoud and its residents enjoy a high quality of life that includes open spaces, a quaint downtown, award-winning public schools, and a dedicated team of professionals who protect our neighborhoods, citizens, and businesses. The Larimer County Sheriff’s Office (LCSO) is our partner for public safety. Sergeant Jim Anderson and his five deputies provide patrol services for the Town, and are backed by the extensive resources from the LCSO.

While Berthoud is protected by County-wide resources, the men and women who protect Berthoud everyday are assigned here and know the ins and outs of Berthoud. Deputies assigned to Berthoud are responsible for traffic enforcement, criminal law enforcement and provide limited animal control duties. As of 2016, two deputies serve Berthoud as School Resource Officers.

Fires, floods, tornadoes, acts of violence, traffic accidents and more – the Larimer County Sheriff’s Office’s Berthoud Squad is on site 24/7 to keep the town, its residents and businesses safe.

Want to keep up on Berthoud public safety news? Check out the Public Safety stats on the back of this newsletter each month, follow the Berthoud Squad on Facebook, or attend an upcoming Coffee with a Cop.

EMERALD ASH BORER UPDATE
As many in the community know, emerald ash borer (EAB) has been confirmed in Longmont, and previously in the City of Boulder. In order to protect our urban forest, Town forestry staff installed traps in Town parks and the cemetery to monitor the possible presence of EAB in Berthoud. Staff is currently removing any unhealthy or hazardous ash trees and replacing them with a different species.

In July, Staff has treated 30 of the Town’s park ash trees identified as highest priority to maintain that are primarily located in the Cemetery and Fickel Park areas and have identified an additional 35 ash trees in 2017 for treatment. Staff will share an EAB maintenance response plan for Berthoud with Town Board at their August 16 meeting.
