YOUTH ADVISORY COMMISSION

Berthoud's Youth Advisory Commission was created to empower young minds through local opportunities and community support and to provide the Town of Berthoud insight and access to new ideas from voices currently unheard in the community.

The Commission is active in Town events and works alongside our elected officials on matters important to their population. All members must be between 13 and 18 years of age and attend a Berthoud school.

Members of the YAC gain valuable project management and communication skills – not to mention a crash course in local governance and networking. Working alongside adult members of the community, the Town of Berthoud will look to the YAC for ways to connect with our Town's youth and ensure that our Town does its best to meet the needs of a growing population.

Get connected with the YAC at Berthoud Day on June 3 or visit their webpage at www.berthoud.org/YAC.

You also can follow them on Instagram @youthadvisorycommission.

BERTHOUD DAY - JUNE 3

Berthoud Day is right around the corner! This year's event will be held on Saturday, June 3 with a parade kicking things off at 11:00 a.m. on Mountain Avenue. All other festivities begin in Town Park at noon.

Join us for live music, group activities and family-friendly entertainment. Don't miss our Berthoud's Got Talent competition, which will be held throughout the day.

Find more information, including full schedule, registration, sponsorship information and vendor opportunities at www.berthoudday.com.

Berthoud Day is presented by the Berthoud Area Chamber of Commerce.

SUMMERTIME SAFETY

Summer time in Berthoud means getting out to the pool, cooking outdoors and enjoying all that our town has to offer.

With school getting out soon, please be aware of an increased number of small pedestrians over the next couple of months. Keep Berthoud safe!

GOOD NEWS BERTHOUD

WE LOVE OUR PETS!

Berthoud was recently recognized as one of the top 500 pet-friendly cities in the United States by Millennial Personal Finance. Using metrics like pet services, pet health establishments, and pet essentials (parks, food retail stores, and pet shops), Berthoud ranked 339 in the country. Great job, Berthoud!

REMINDER: All pets must be on leash or under the verbal command of their owners when in public.

CERTIFIED ARBORIST IN TOWN

Congratulations to our very own Josh Embrey, who recently passed his exam to become an ISA Certified Arborist for the Town of Berthoud! To earn the credential, you must be trained and knowledgeable in all aspects of arboriculture. This is an important distinction and the Town is lucky to have Josh on board!

HISTORIC HOME ADDED

The McCormick/Brunner Cottage at 631 5th Street was recently added to the Town of Berthoud's local Histor-

ic Landmark Register. Once owned by Dr. Liggett, one of the founders of Berthoud, and currently owned by Mr. Doug Carlender, the cottage is now designated a local landmark and will help preserve the rich heritage and architectural diversity of our community. To find out if your home qualifies for a local landmark distinction, contact the Town's Community Development Director at 970.532.2643.
