

LOOKING BACK AND FORWARD

The approaching New Year is a great opportunity to look back on the accomplishments of 2017 and ahead to the opportunities of 2018.

2017 HIGHLIGHTS

- Improved community safety with upgraded school zones and crosswalks
- Updated emergency plans and Master Plans to better prepare us for the future
- Increases to water resources
- New Town Hall that provides improved access to your local government
- Continued growth management by processing more than 400 building permits and facilitating construction of Love's on I-25

Wondering what's on the 2018 agenda? Here's what you can expect from your local government in the coming year:

- Increased operational efficiency with internal technology updates
- Continued commitment to our high quality of life with playground, parks, open space and trail improvements
- New recreation activities to help you stay active and healthy
- Improved communications
- Expansion of the water plant to accommodate new development

A FAREWELL TO MIKE HART

On November 30, Berthoud's Town Administrator, Mike Hart, retired after a long career in public service. Mike has been our Town Administrator since 2009 and has lead the organization through many changes and accomplishments. Under his leadership, Berthoud experienced increased financial health and security. He helped facilitate master plans for utilities and transportation, as well as the overall comprehensive plan to prepare Berthoud for a healthy future. He's helped the community manage existing and future growth through development agreements with neighboring communities and local infrastructure investments. While the details are too many to list, Mike's efforts will ensure Berthoud is well positioned for future success and opportunity.

Thank you, Mike! On behalf of the organization and the community, we wish you the best.

PEDESTRIAN SAFETY

It takes the entire community to keep Berthoud streets safe. Follow these simple tips to help make our roads safer for everyone.

FOR PEDESTRIANS:

- Make yourself visible to drivers
- Stand clear of bushes, hedges and parked cars
- Avoid dangerous behaviors
- Look before you cross the road
- Obey traffic signals

FOR DRIVERS:

- Watch for pedestrians at all times
- Don't drive distracted
- Yield to pedestrians at crosswalks
- Drive the speed limit
- Avoid aggressive behavior

DRUG TAKE-BACK DAY

On October 28th, Berthoud partook in National Prescription Drug Take Back Day. This event provides a safe, convenient and responsible means of disposing of prescription drugs. This year, we were able to collect 68 pounds of unwanted prescription drugs. Thank you to everyone who participated!
